EU-REACH – declaration of conformity

Ref.: Regulation EC 1907/2006

We, SAX Polymers Industrie GmbH, hereby declare that we do not intentionally add the following substances during the compounding process of our products, SAXAMID, SAXALEN¹, SAXAFORM, SAXADUR, SAXALOY C, SAXAGREEN.

1. SVHC substances published in the currently valid candidate list of very high concern in a concentration of more than 0,1% by weight.
2. Substances and/or mixtures which lead to restrictions or prohibitions under REACH Annex XIV and Annex XVII.

We are in constant contact with our suppliers in order to guarantee that the above points are up to date. If changes in our supply chain regarding SVHC substances or Annex XVI and Annex XVII occur, you will be informed immediately.

SVHCs can be found under the following link: <https://echa.europa.eu/candidate-list-table>

We do not analyse the above listed products for the presence of SVHC substances/substance groups. All information is based on information we receive from our suppliers. In order to secure the supply chain and in the interest of highest product safety, we demand and monitor the implementation of REACH on the side of our suppliers.

We also confirm that future extensions of the candidate list published by ECHA will be compared with our formulations. We will inform you immediately as soon as it comes to our knowledge that one of the newly included substances is present in our products.

We have to indicate that SAX Polymers Industrie Ges.m.b.H. does not perform any tests concerning this confirmation and furthermore as a compounder does not have any influence on the products made out of these compounds or on their processing conditions. The testing of finished products concerning relevant directives are in the responsibility of the manufacturer. This confirmation is based on the assumption that no chemical media influence is present.

¹We inform you that the SVHC confirmation is not valid for the following product types:

- SAXALEN PPH440G10A
- SAXALEN PPH404A

This REACH declaration of conformity applies to standard products and is valid as a copy and without a signature.
